Welcome to the
RAINFOREST ECOLODGE, DENIYAYA

Set on the edge of the Sinharaja Rainforest, Sri Lanka's UNESCO-listed biosphere, Rainforest Ecolodge offers more than a stay; it's a journey into one of the island's most treasured natural landscapes and the ultimate rainforest experience. Crafted from reclaimed shipping containers and rooted in sustainability, the lodge blends seamlessly into its lush surroundings to provide an immersive, eco-conscious retreat.

Here, life moves to the rhythm of rustling leaves and birdsong. Wake to misty forest canopies, explore nature trails with expert guides, and enjoy fresh, locally inspired cuisine. Every experience invites you to slow down and reconnect with nature, with stillness, and with the spirit of responsible travel.

To preserve this delicate ecosystem, we kindly ask you not to feed monkeys or other wildlife in or around your chalet. Respecting their space helps keep the rainforest wild and wondrous for all.

Take a breath, tread lightly, and let the serenity of the rainforest embrace you.
